This is all bring your own. From steaks to hot dogs, Old Milwaukee to Guinness, potato salad to chips, your call. We will supply grills, charcoal and some basic cooking utensils.

We plan on having a volleyball court setup so bring your spiking skills. There's a fishing pond available but you'll need rods/reels, tackle and bait. No need for a fishing license but it is catch and release only. Bring you Bags game, Frisbees, Ring Toss or whatever you like. There's plenty of space to run around.

Cost No cash in advance, pay at the gate. We're asking for \$10 per adult (kids free) but with that you get two \$5 raffle tickets. Feel free to buy more. Active Turtles and Doves and 2016 graduates are free.

Help! We need volunteers

We're looking for some help in either planning the event or during the retreat. Let Jeff or Kurt know if you'd be willing to volunteer. Thanks!

Raffle

What's a Turtle event without a raffle? As you can guess we do have some expenses with this event so we're looking to generate a little money to cover costs but plan to send about half if it back to the active Turtles and Doves. We're looking for prizes. Can you put together a gift basket? Does your company have any cool giveaways? How about providing a gift certificate? Let us know if you're able to donate.
